KITCHEN EXTRACTION SYSTEMS

DEEP CLEANING SERVICES

Concept Clean Africa specializes in the deep cleaning of all kitchen extraction systems, kitchen cooking equipment and kitchen walls, floors and ceilings.

Our expert deep cleaning service is a sure way to remove all potentially harmful burned on carbon and fat deposits from kitchen cooking and extraction equipment which can be the cause of kitchen fires and pest infestations.

By using our deep cleaning equipment and services, you will not only be eliminating potentially dangerous kitchen dirt and bacteria, but also extend the life and efficiency of your expensive kitchen equipment.

Our deep cleaning methods are performed & based on the South African National Standard – The Design, Manufacture & Maintenance of Commercial Kitchen Extraction / Ventilation Systems, SANS 1850:2014 Edition 2.

Cleaning to all kinds of extraction canopies and filters

Cleaning to horizontal and vertical ductwork and extractor fans

Professional workmanship

A signed cleaning certificate to SANS 1850: 2014 standards

THIS IS WHAT CONCEPT CLEAN AFRICA CAN DO FOR YOUR KITCHEN

A PICTURE IS REALLY WORTH A 1000 WORDS!
