NATIONWIDE

TURN KEY *Solutions*

HOW WE WORK

From the consultation phase right through to the post-project phase, we are there to assist you with a turn key solution to make your vision tangible.

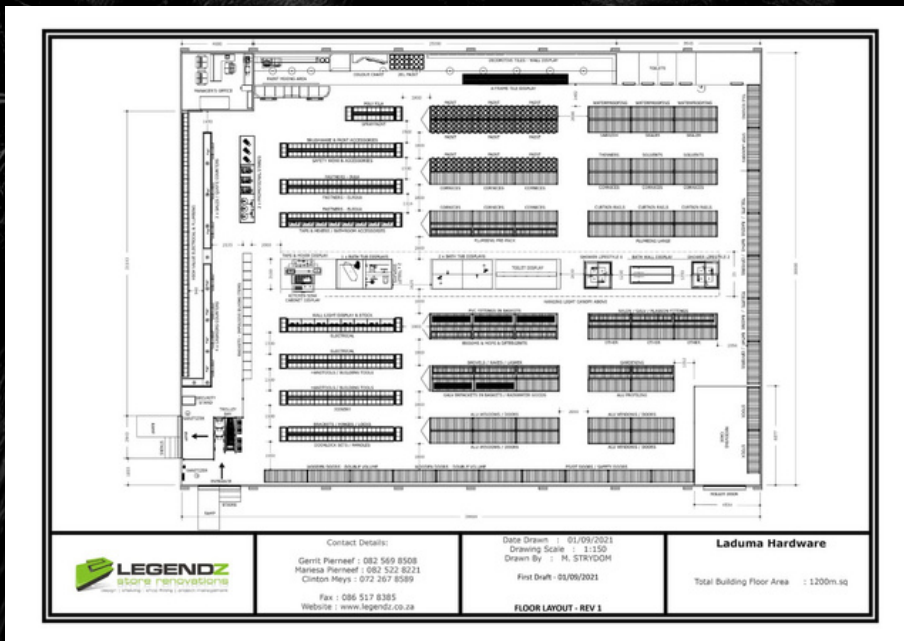

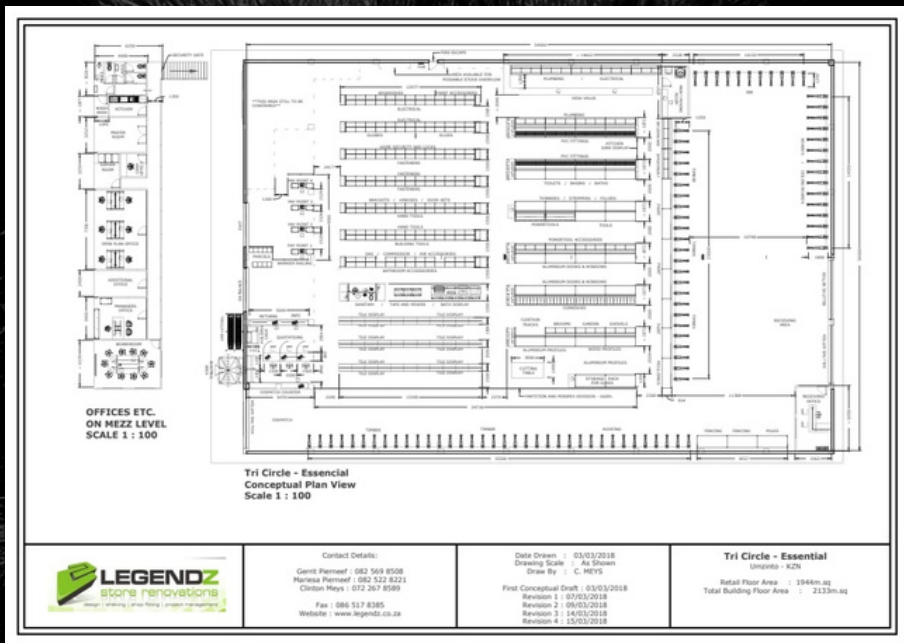

Project Management using world class methodology and technology to keep track of progress.

SPACE *Planning*

2D FLOORPLANS

The first step towards creating the layout of your store. This is also an essential step in the budgetary process as well as the 3D concept design for your store.

DESIGN *Concepts*

3D CONCEPT DESIGNS

A virtual tour of how your store is going to look, showing all finishes and design elements to be build by our manufacturing teams.

IN HOUSE *Manufacturing*

SHOPFITTING

Skilled hands are ready to manufacture your one-of-a-kind store in our factories based in Middelburg Mpumalanga.

After manufacturing, our installation teams will be deployed to do the fitment of all components on-site.

SHELVING *Solutions*

STEEL SHELVING & RACKING

An essential part of your store as well as an investment for the years to come.

We can assist with a range of shelving solutions that will cater to your needs.

MERCHANDISING *Pros*

VISUAL MERCHANDISING

Our skilled merchandising teams are there to assist with the erecting of shelving as well as the merchandising of stock, utilizing all available space, and creating a shopping experience for your customer.

CLEAN-UP *Crew*

SKILLED HANDS

Let us help you clean up your store and get you operational as soon as possible.

We are here to help!

STORE *Accessories*

EVERYTHING YOU NEED

From trolleys and baskets to linbins and price strips. Please enquire about our range of store accessories and office furniture that is available.
